HAPPY NEW YEAR

I hope you have all had a very good Christmas and a good New Year's celebration last night. Did anyone get any good water sport related pressies? I got a pair of waterproof gloves that are brilliant. No more wet cold hands.

Some of our club members are still meeting up on the weekend to go paddling on the lake and the sea, so if the weather isn't putting you off feel free to pop down and see who is around. If you need a kayak out of the boathouse then phone a keyholder first to check that someone is there to unlock it. The keyholders names and telephone no's are on our website.

This is a fairly short newsletter. There will be a more detailed one after the committee meeting on Thursday.

CHRISTMAS PARTY

This was a huge success. There was good food, company and games – even for the adults. Dan particularly enjoyed musical chairs. He said it took him back to when he was 7 years old.

There was a photographer, but I haven't seen the photos yet. Hopefully they will be made available to us either via the Gallery on our website or at one of our club nights.

POOL EVENTS

There is a lot of interest in this but please be patient with us. We are waiting on other people, so information is slow in coming. As soon as I have any positive news I will let you know dates, times and costs.

These club nights are for everyone. If you have any ideas about the things you would like to see happening on these evenings then let me know.

MEMBERSHIP CARDS

If you didn't pick yours up at the Christmas party then they will be available to be collected on any of the club nights. Once they are signed, they need to be returned to Mark Dyer so that he can laminate them.

There are also BCU membership cards for our junior members. These will also be available on club nights.
